A Great Time

We gathered in thanksgiving for the 50th anniversary of this church becoming a United Church on September 22nd. You can read much more about it in this newsletter, so I will say here that it is an exciting time to be a part of this church community. As we have been doing great work in visioning for our future, we continue to plot our way forward with the guidance of the Holy Spirit. We will be revisiting the visioning process in January.

It is also important to note that while we celebrated the 50th anniversary of the church, it wasn't a *memorial* service, but a service and luncheon that celebrated what had happened, what is happening, and had a distinct sense of celebrating what is to come. It is a great time to be a part of this church as we continue to strive to be a witness for Christ in and among our community.

I hope you will take time to share the stories from the celebration, pass along the YouTube links, and see what God has done and is continuing to do with the people of Kunéix Hídi Northern Light United Church! Peace be with us.

Sharing Our Knowledge conference

Ḳunéix Hídi Northern Light United Church was well represented at the Sharing Our Knowledge conference held in Sitka, September 11-15, 2024. The conference of Tlingit-Haida-Tsimshian Tribes and Clans had the theme “For Our Grandchildren’s Wisdom.”

The Process of Acknowledgment, Apology, and Reparations for the Racist Closure of the Native Church as a Model

Maxine Richert, Barbara T’eishtul.aan Searls, and Rev. Dr. Charles Ensminger

Presentation of the Acknowledgment, Apology and Reparations for the racist closure of Memorial Presbyterian Church as a model for Alaska Native groups to consider in seeking healing, closure and reparations if appropriate for past racial harms.

Those attending from KHNLUc included Maxine Richert, Barbara Searls, Freda Westman, Charles Ensminger, Cindy Ensminger, Linda McCargar, George Partlow, Robert Coghill, and Jane Ginter.

“The Great Re-Encounter”

Jermaine Ross-Allam gave the keynote address at lunch on Friday, He is the Director of the Presbyterian Church (USA) new Center for Repair of Historical Harms.

Nursery and Children’s Church

It is a joy to have the Nursery available again! Room 1 downstairs is now our active nursery on Sunday mornings. We have wonderful volunteers, a great space, and are thankful for the opportunity to have our nursery utilized!

We are still planning to establish a new Children’s Church program, but that will probably take place early next year.

Thanks so much for all who donated items for the nursery and are volunteering their time to make the program work!

Sharing our Knowledge conference continued

“Recently, a colleague asked, “What if Protestants and Indigenous peoples encountered one another on the basis of equality rather than according to colonial theft based on racism and religious supremacy?” The Great Re-Encounter explores this question as an opportunity to do now what could and should have been done before.”

Traditional Foods and Medicines Outdoor Walk

Another interesting talk on a beautiful Saturday morning was led by Vivian Mork.

“Take a walk through Totem Park trail at Sitka National Historic Park along the beach, and along the river to learn about the traditional foods we have been sustainably harvesting for thousands of years. We will talk about respectful harvesting and what that diverse concept means. You will learn about foods such as goose tongue, beach asparagus, beach lovage, saltbush, beach greens, the berry bushes that are edible in the spring, trees, medicines and more. You will learn about what seasons are best for which foods, nutrition content, as well as tips and tricks for harvesting. You will also learn about microcli-

mate harvesting and how to extend your harvest season for numerous foods

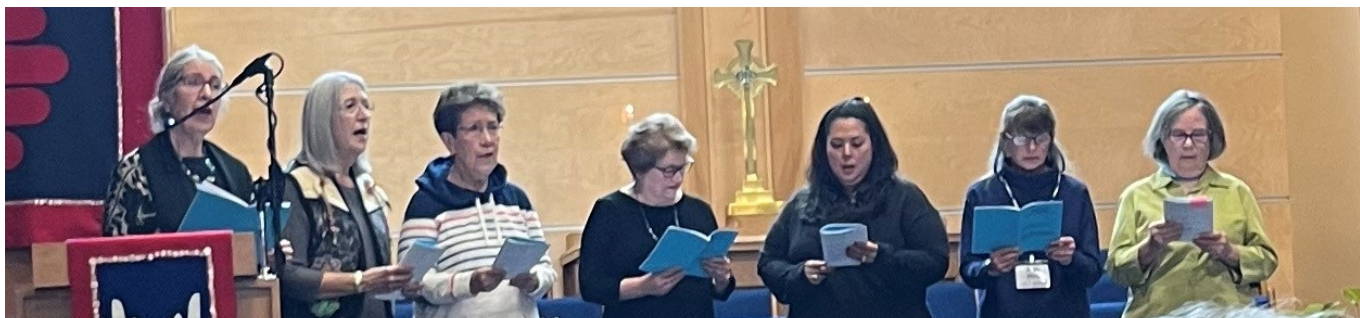

The World of the Sheet’ká Khwáan Boat Trip around the Sitka Sound

“Join us for a boat trip sponsored by Allen Marine to visit traditional sites of the Sheet’ká Kwáan with commentary provided by Yeidikook’áa (Kiks.ádi, Sheet’ka Kwáan), and songs by members of the Sheet’ka Kwáan Dancers”

It won't be long until snow arrives and we are looking for someone to operate the snow blower and shovel sidewalks. Do you know of anyone? The snow blower operator must be 18 or older. The Ryobi electric blower is very easy to maneuver and operate. Pay rate is excellent! Contact Patsy Wright OR any CPM member. Thanks!

In Case You Were Ever Confused.....

This is a photo, taken at the 50th Anniversary party, of George Partlow, Phil Campbell and Don Gotschall. Notice that all three have white hair and white beards. When Phil was our pastor (2010-2018) and George wore glasses, people used to get them confused. Phil and George would get asked about building maintenance issues and Don about theological issues. Just to clarify George is co-chair of the Social Justice Committee, Phil is our new Pastor Emeritus, and Don will be 90 on October 10 and is no longer allowed to do building maintenance. Jean Ann Alter admits to catching a glimpse of one of them and thought it was one of the other two.

Moderator's Report

Steve White and George Partlow with the newly installed sign marking the closing of Memorial Church in 1963. The sign that was installed last October to mark the location of the former Memorial Church blew down and was damaged during the Taku winds last winter.

George ordered the replacement sign; Karen Dillon located the supplier of the posts, Steve, George and Duff Mitchell dug the holes for the posts, made sure the sign and posts were level and poured the concrete.

In September, a contingent of us from KHNLUC went to the Sharing Our Knowledge Symposium, A conference of Tlingit-Haida-Tsimshian Tribes and Clans, Sitka, 9/11-15/2024. Pastor Charles, Barbara Searls and I presented a talk on “The Process of Acknowledgment, Apology and Reparations for the Racist Closure of the Native Church as a Model.” The presentation was well received and members of the audience had questions and thanked us and the KHNLUC for the apology and reparations to the Soboleff Family, former members of MPC and the SE Alaska Native community. Rev. Dr. Soboleff had attended Sheldon Jackson Mission School in Sitka in his youth. It later became a boarding high school and eight of my cousins attended. The old SJ campus was the site of the conference and we were graced with sun on the last day of the conference. Over 47 presentations from Native educators and Native and non-Native educators and scholars, artists, restorationists, and historians made it difficult to choose a presentation to attend. Jane Ginter and Bob Coghill and Linda McCarthy and George Partlow and Cindy Ensimnger also attended the conference and Jane was able to visit Marie Olson at the Pioneer’s Home. Rev. Jermaine Ross-Allam, director of the Center for the Repair of Historic Harm at the Presbyterian Mission Agency PC (USA), also gave a presentation. He was one of the participants in the KHNLUC October 2023 Apology Events.

This picture of the historic beach fishing nets storage houses in Alvora, Portugal is an example of historic restoration. I shared the picture with Jer-

rick Hope-Lang in Sitka. He discussed the restoration of clan houses, rebuilding sovereignty through place and space. 12 clan houses in Sitka were recently given Historic Preservation status. His grandfather’s clan house, the Point House, was torn down and

he is seeking grants to rebuild it in historical and western style.

I love this picture of my grand niece Jamie Paddock at a NLUC Christmas Play, probably 20 plus years ago. Unfortunately I got the picture too late to put it in the slide show for our 50th Anniversary Celebration following the 9/22 church service. She is playing Mary, holding baby Jesus, who is played by baby Thomas Beierly, grandson of Bob and Flora Beierly. The boy next to Jamie is Linda Miller’s grandson, maybe playing Joseph? Big baby!!

Moderator's Report continued

Margaret McKinnon is finalizing the 50 year history of the merging of Methodist and Presbyterian Church 50 years ago (and we are finally recognizing Memorial Presbyterian Church as the 3rd church in that merger). It was good to see the Soboleff family at our 50th Celebration. The fine speeches spoke of our 50 years of growth and reaching out to bring the word of God to the Juneau Community in many ways. The luncheon and decor were also much appreciated.

Pastor Emeritus. The Native Ministries Committee recommended the appointment of Rev. Phil Campbell (former Pastor of NLUC) as Pastor Emeritus in recognition of his work (research, report, consultation to Overture Sub-Committee and Healing Tash Force) on the Acknowledgement, Apology and Reparations for the racist closure of MPC. The council approved and we recognized him at our 9/22 church service and presented him with a Tináa necklace with trade beads. The Tin aa means copper shield in the Tlingit language and is a symbol of wealth and was exchanged at polatch's between chiefs. His Tin aa was made by Donald Gregory and was a large shield. Donald and Phil were both members of the Alaska Native Brotherhood (Teresa was a member of Alaska Native Sisterhood) and considered themselves brothers. Several members of the ANB and ANS attended the 9/22 service.

In case you noticed, during a winter storm, the sign at the Fire Hall recognizing the site as the former location of Memorial Presbyterian Church blew down. A new sign has replaced the original sign and the first sign will be restored under George Partlow's oversight and with the help of Duff Mitchell and others has been planted in a better location. The Fire Chief was thankful as several tourists had come by this summer and asked where the sign was.

Anderson Music Fund Policies and Procedures. The new Policy for Anderson Music Fund was submitted by Jim Alter and a small committee. The Council approved it and directed Jim to submit the policy to the Church Office and begin a program to inform community organizations of the availability of grants. It may be of interest to the Juneau String Ensemble (youth) who provided the fine music at our 9/22 Church Service.

Church Maintenance. New signs, both inside and outside, are in progress announcing the time of church services and special events (inside on a large screen TV). The nursery was made ready to use by the 50th anniversary. This is stop one on rebuilding our Sunday School Program. \$20,000 has been budgeted for installing security lighting and two electronic car charging stations in the parking lot. Work on the KHNLUC boiler was delayed by the flooding in the valley. Duff will attempt to have the boiler ready for winter. Grants have been submitted for heat pump conversion (for the future).

United Methodist Church Facilities Use Agreement. This was approved back in August and Supt. Krisi McGuire has been renting office space.

Respectfully submitted,

Maxine Richert, Moderator

Everyone is invited to be part of our worship service

ADD COMMENT: You can add a comment when you donate flowers! You can state if the flowers are in honor or memory of someone.

Here's more details about these opportunities!

Sunday Worship Flowers Signup

<https://signup.com/go/FyEmKVd>

Provide flowers of your choosing on Sunday. Any kind of flowers or even dried flowers, leaves, plants, or other arrangement! There are vases of all sizes stored in the cabinet to the lower left of the ovens. There may also be vases on kitchen counters. Bring the flowers and place on worship table before the beginning of church. You may take flowers home at the end of service; just return the vase if you borrowed one. If you prefer, you can bring flowers to the church on Friday or Saturday. Check with church office at (907 586-3131) or Jane Ginter (907 209-8185) for new keycode for door on A Street (Preschool Entrance). New code as of August 2023. NOTE: Keycode is not working properly as of Sept

2024. We are working on getting it replaced.

The Signup calendar is now available through the end of 2025, so you can claim the special day you'd like to provide flowers.

Sunday Worship Greeter/Usher Signup

<https://signup.com/go/GezbghQ>

The usher arrives at 9:30 a.m., one-half hour before the service is scheduled to begin, 10 a.m. year-round. The usher should:

Welcome worshipers, especially those who appear to be new to KHNLUC. Mention to people with children that there are crayons, coloring books, and books available. There is a nursery downstairs.

If they are visitors, invite them to sign the visitor card or sign-in sheet.

We are no longer asking folks to "check-off" their names on the check off sheet.

Provide a bulletin.

The usher should remain towards the back of the church during the service to assist late arrivals.

During Joys & Concerns, the usher will pick up the microphone from the back, making sure it is turned ON, and take it to those who wish to speak.

The Worship Leader or the usher will read Joys & Concerns from Zoom Chat. Those on Zoom will be asked if they want to unmute and speak. Rather than reading all the Zoom requests together, the congregation should reply to each one: "Lord, in your mercy, hear our prayer."

The usher will ask someone to assist with taking the offering. Walk up the center aisle to the front of the congregation, then pass offering plates to the rows. Finish at the rear of the church. The usher will combine the offering plates and wait until the beginning of the Offering Response (Doxology). Walk up and place the offering plates on the altar.

During Announcements or Opportunities for Serving and Growing the usher will make the

Everyone is Invited continued

microphone available for those who wish to speak.

It is helpful if the usher can remain near the rear of the church for anyone who leaves the service early to thank them for coming.

Those counting the offering will often pick up the offering to take to the office.

The usher should check to make sure someone picks up the offering plates and take them into the office for the counters. If the offering is not being counted that Sunday, put all the money in the blue

lockbox in the office behind the office door. The blue lockbox is under the box on the wall where all the keys are kept.

Budget Update and Permanent Endowment Funds Matching Challenge

The chart below shows the approximate income and expenses through September 23, 2024, for the General Fund, the Food Security fund, and the Capital Fund. The budget for the capital fund includes \$28,000 for boiler repairs and \$20,000 for the electrical upgrades, security light and electric car chargers in the parking lot. These projects will hopefully be completed this fall, and will be supported with funds from the investment account.

Approximate Income and Expenses through 9/23/2024			
	Income	Expenses	Difference
General Fund	\$207,000.00	\$214,300.00	\$(7,300.00)
Food Security	\$ 7,400.00	\$ 10,900.00	\$(3,500.00)
Capital Budget	\$ 4,500.00	\$ 4,000.00	\$ 500.00

Thank you for all your donations so far this year. Please keep KHNLUC in your giving plans this fall, especially as you receive the Permanent Fund Dividends. If you are contributing a QCD (Qualified Charitable Donation) from your IRA, it is important to plan early enough so those funds arrive before the end of December. Watch for information soon about the 2025 stewardship drive in November.

The Permanent Endowment Funds were created in 2021. Fund balances as of September 23, 2024, are \$88,105 for the Program Fund and \$63,096 for the Capital Projects Fund. The Akiyama family had generously offered another challenge for donations to the Permanent Endowment Funds in 2024. They will match donations of up to \$14,000 to each fund, for Programs or for Capital Projects. To date \$3000 has been contributed to each fund. ***Donations must be received no later than November 30 to meet the match.*** Please consider contributing soon to grow these funds that will help sustain KHNLUC programs for many years to come.

Eagle River United Methodist Camp Activities

Bruce Denton donated 23 trusses in excellent condition from an old cabin on his property. The camp hopes to use these trusses to build a future storage shed.

Bruce Denton, Bruce Morley, Charlie Carlson, Hilary Partlow's husband Aaron Gelston, Aaron's friend Zeno Cole, Jane Ginter, Lisa Brendle, Jesse Stringer, and Paul Beran all worked in the rain on Saturday, September 21.

Bruce Denton brought out the trusses in a borrowed flatbed trailer. He arrived a little after 9:30 along with the crew and we worked in 2 teams: removing the sheathing attached to the top of the trusses while yet on the trailer, removing them and the 2nd team completing the sheathing removal, pulling nails, and carefully stacking them. Then they were covered with metal roofing to be out of the weather.

Meanwhile the rain continued but the work was accomplished and the fellowship invigorating.

This was so kind of Bruce Denton to donate them to the camp. They will go a long way to construct a future storage shed for equipment. When opportunity presents, please convey to Bruce your gratitude.

Thank you once again to all who were able to participate.

We'd love to have you join us in the wide variety of tasks at the camp. Email manager@methodistcamp.org or ginteralaska@gmail.com to see how you can help.

The lodge will be open by 10 a.m. and we'll start serving Thanksgiving Dinner about 1:30 p.m. The camp is located at 27500 Glacier Highway, about Mile 28, just before Eagle Beach State Park. Contact Jane Ginter at 907 209-8185, ginteralaska@gmail.com if you have any questions.

bage dish. Cindy Ensminger brought along a turkey stuffing dish while Sherrie Myer brought along mashed potatoes in a great little dish that kept the potatoes hot until serving. Several people thought the Barnhill's fresh cranberry sauce was the best they had ever had. We enjoyed a couple pumpkin pies from the church bazaar. Be sure to join us for Thanksgiving next year and come join us at camp anytime during the year!

Here's a report from last year at the Camp!

We continued our tradition of a Thanksgiving Potluck Dinner at the Eagle River United Methodist Camp. Jane's been going out to camp for Thanksgiving for over 35 years. We enjoy a roaring fire, singing around the piano with Jacque, and lots of good food! The whole Barnhill family came out to spend Thanksgiving Eve in the Gotschall Cabin. Their special way of preparing turkey this year was deep-fried turkey bits with 4 different spices. Esther & Mark Millea have a tradition of bringing a fabulous red cab-
